Public Open Space RA311, Harveys Farm Rd Bicheno - GSB Council selling?

Glamorgan Spring Bay Council called for "Expressions of Interest" for the purchase of Public Open Space, RA311 Harveys Farm Rd Bicheno, known as Lenny's Point. This was despite over 440 people signing a petition against the sale of the Land and 15 written Submissions to Council opposing the sale.

An ecological assessment identified endangered flora and the land has been enjoyed for decades for access to the headland and its surf breaks.
